

Dear MR.

I hope you are fine and me too am fine. The purpose of writing this letter is saying thank you for support. I promise you I am studying hard and I will continue to study hard. I am 14 years old, and subjects I like most are science subjects. I wish to become a Doctor. Really I appreciate your support I wish you happiest life. God bless you very much. Thank you!

From

CATHERINE TEREVAEL KANUNA.

T.

MR.

THANK YOU

Hello there how are you!

Good Bye

I am fine!

THANK

YOU!
