

Dear

my name is Glory Reuben. I

hope that you are doing fine. The aim of this letter is to thank you for sponsoring me, I really appreciate it so much. I hope that one day you will come and visit me here at Sakura Girls Secondary School and I hope to meet you. Even though these are just words but they come from the bottom of my heart. I promise to work harder to make you proud of me.

To
MR

FROM
GLORY REUBEN

Thank you

very

much
