

Thank
You!

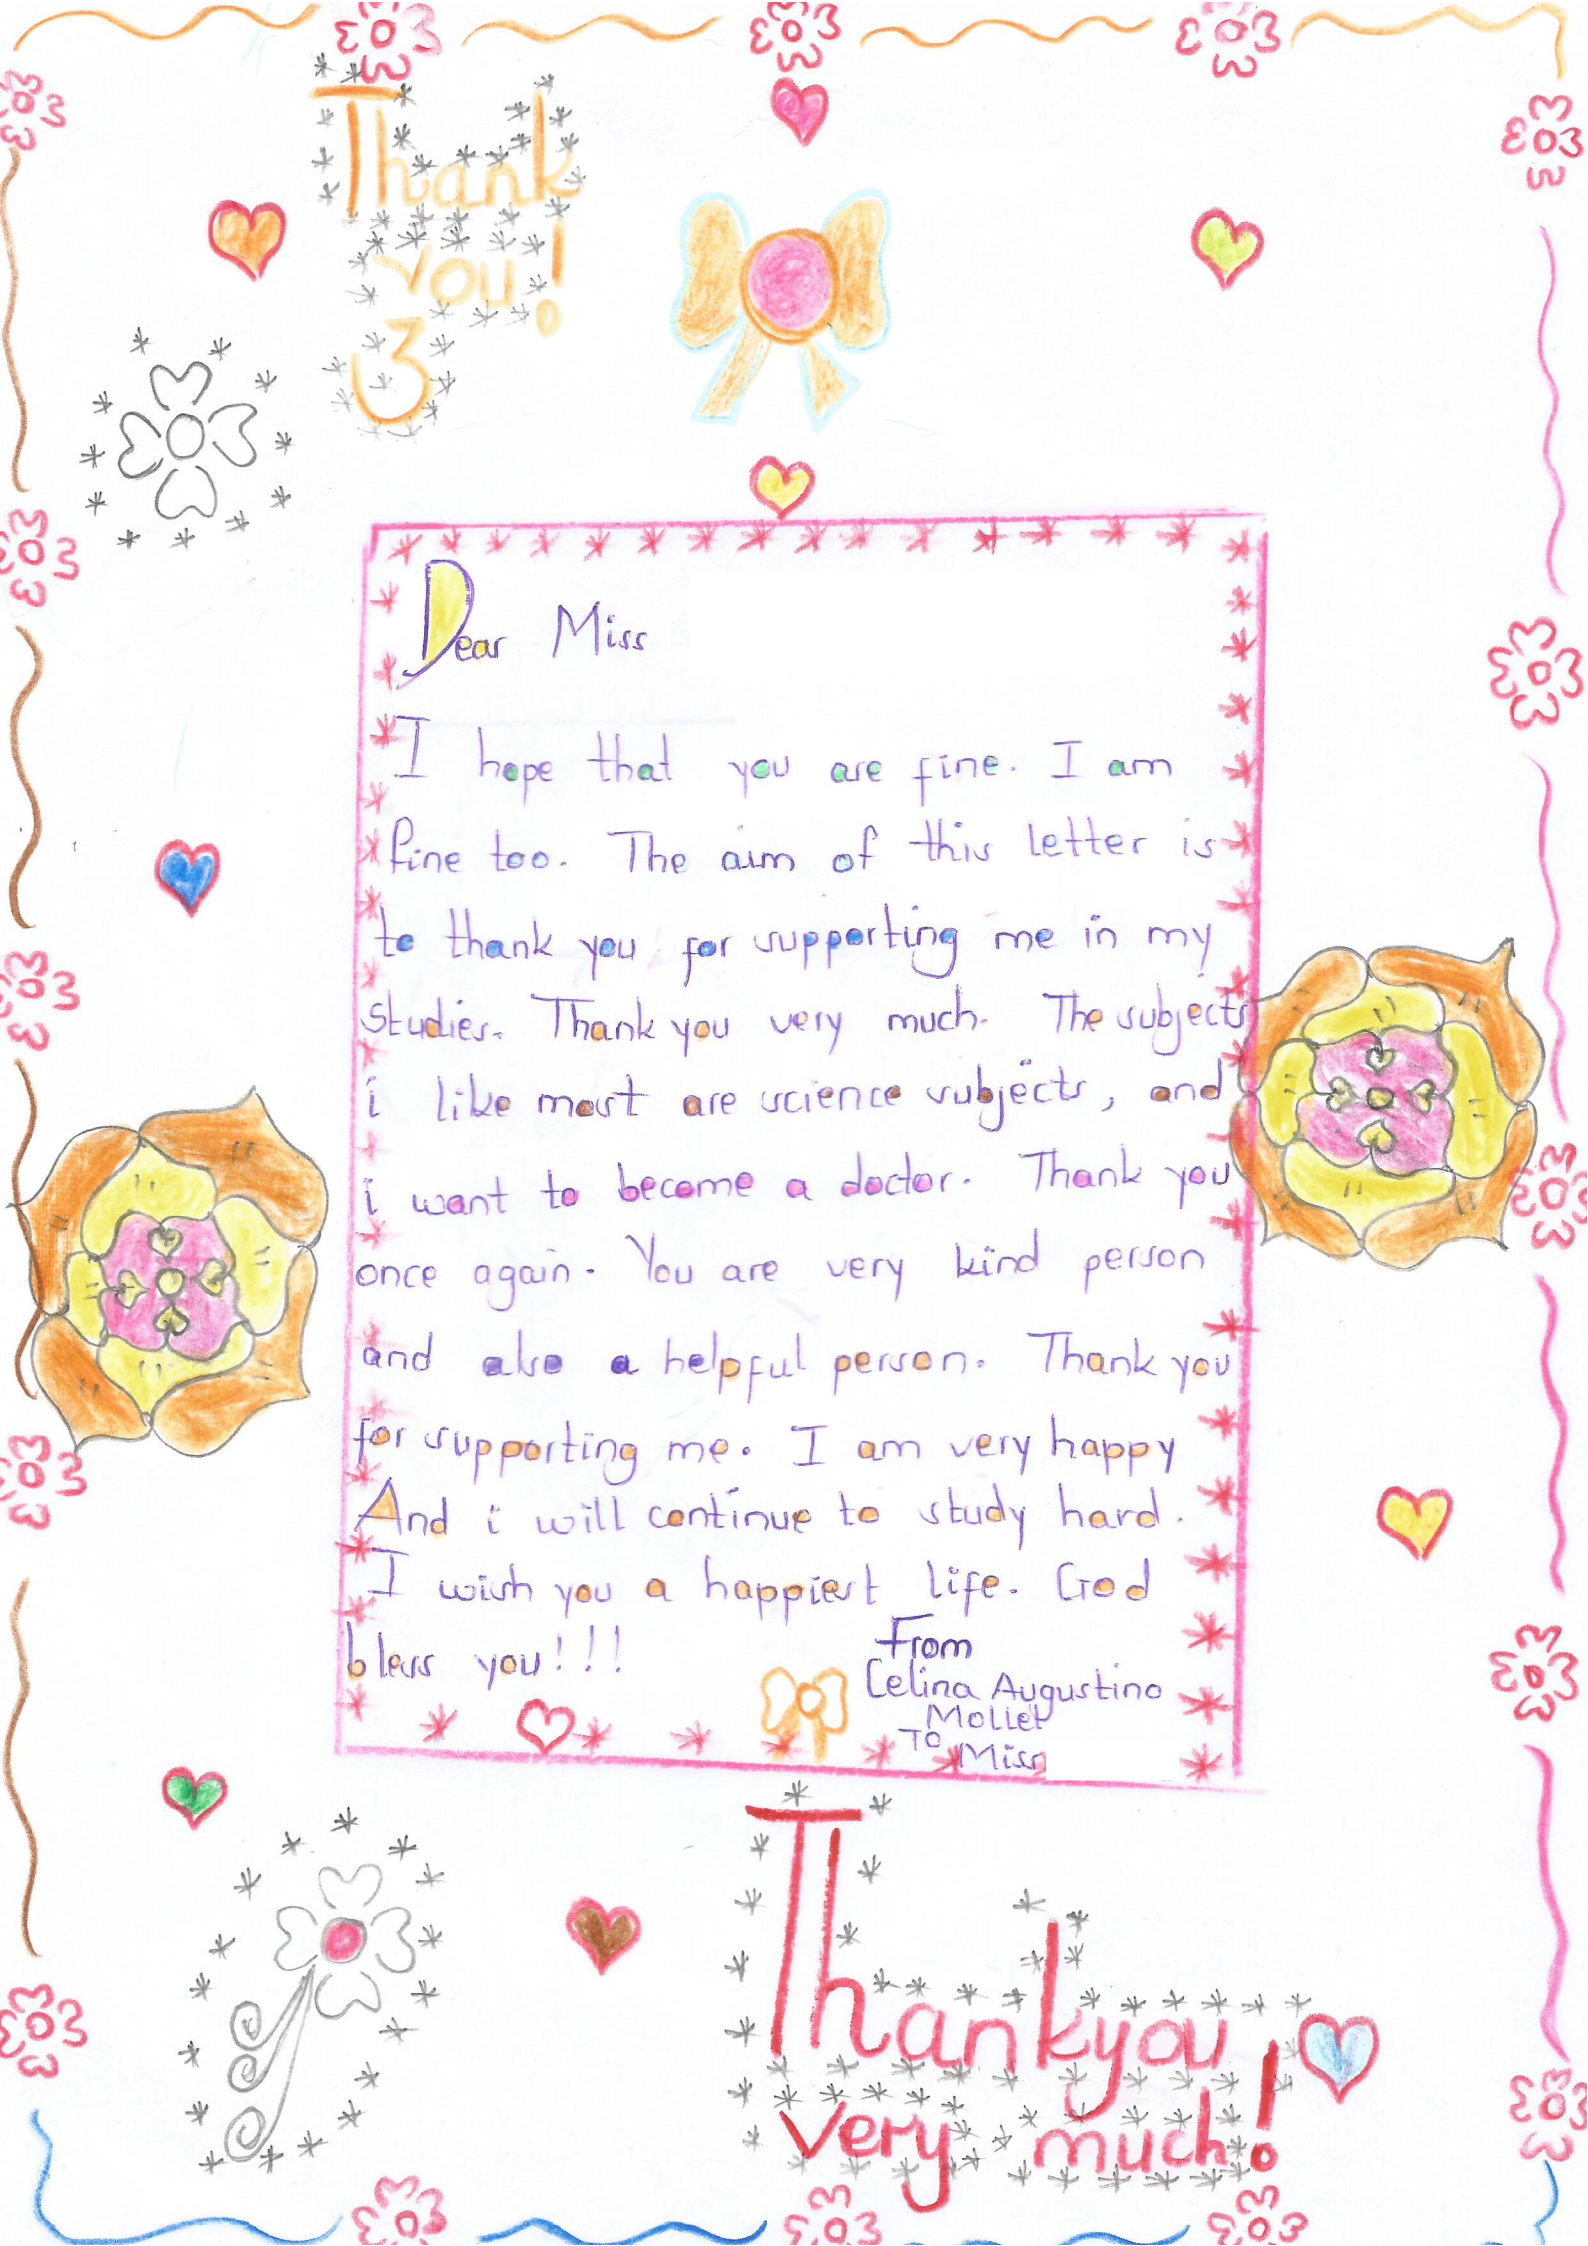

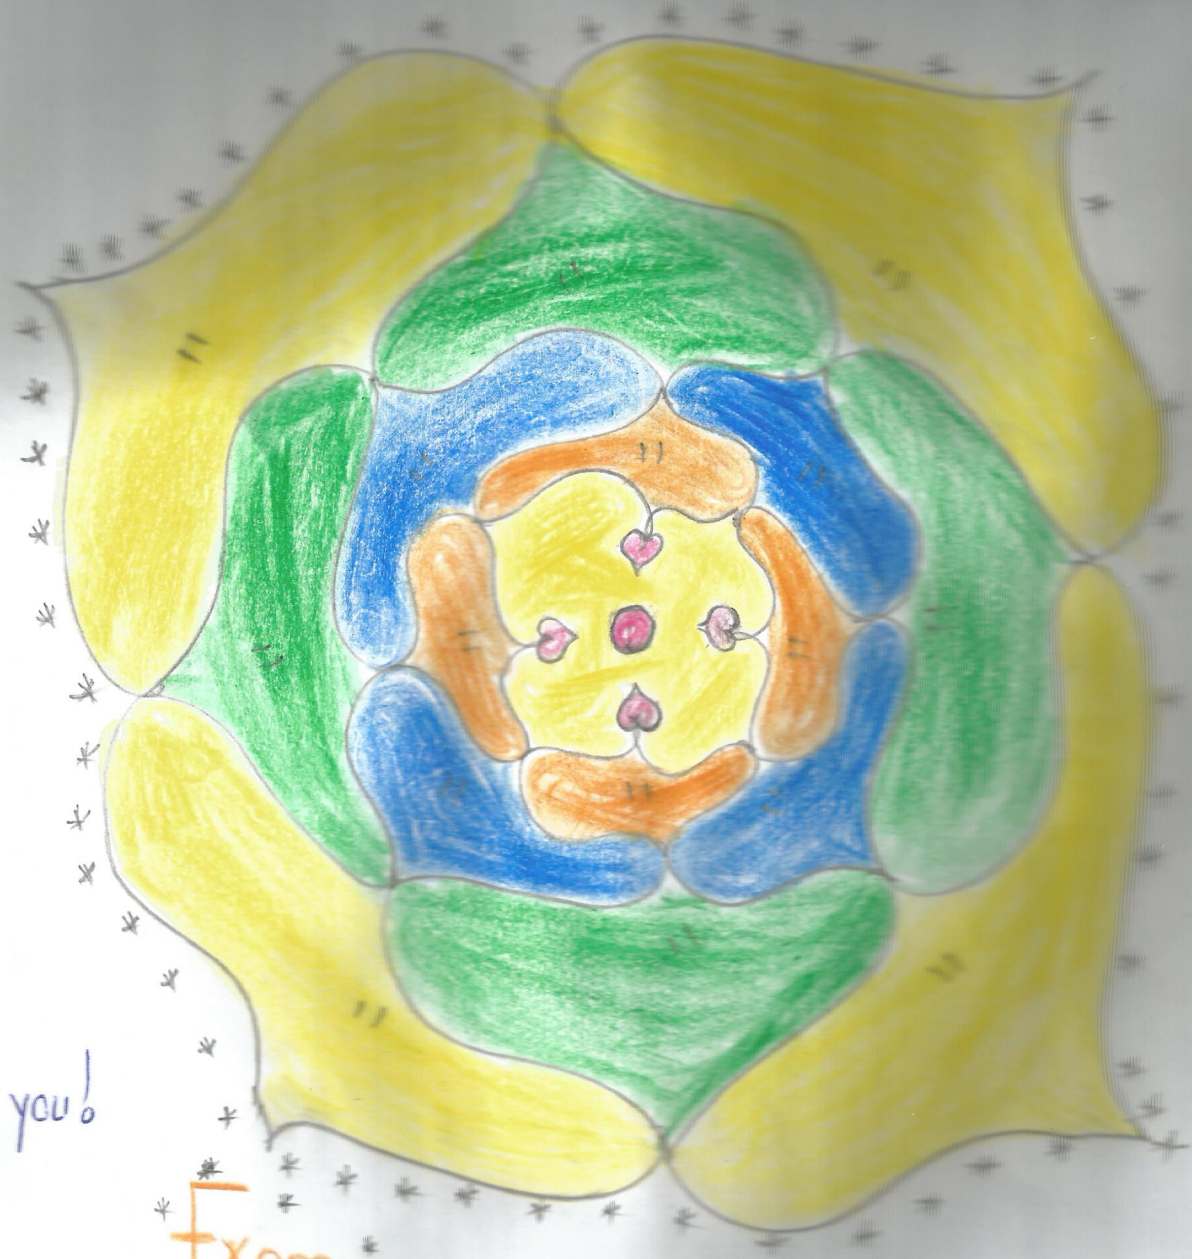

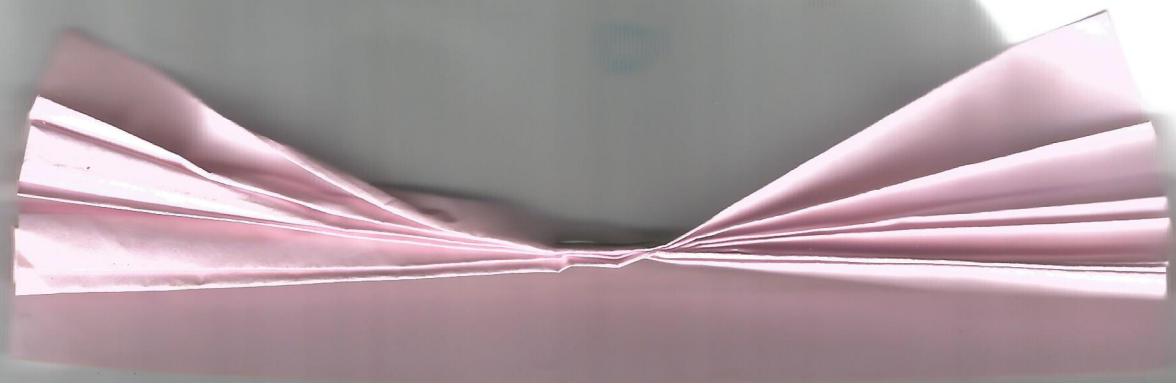

Dear Miss

I hope that you are fine. I am fine too. The aim of this letter is to thank you for supporting me in my studies. Thank you very much. The subjects i like most are science subjects, and i want to become a doctor. Thank you once again. You are very kind person and also a helpful person. Thank you for supporting me. I am very happy. And i will continue to study hard. I wish you a happiest life. God bless you!!!
