

I hope that you are all fine. The aim of writing this letter is to say thank you for your kind support in my studies. I really appreciate the support that you ^{are} giving me and all things that you have already done for me so as I can make my dream come true. You ^{are} very important people in my life. I just want to tell you all thank you very much, this is the only way that I can show how I appreciate your kindly support and God to be with you all in your activities and everything you do. And I will be praying for you all to God so as you can be blessed.

From your lovely daughter
Talky Steve
