

Dear:

I Hope you are doing well as long as in your work, also I am doing well. My name is Noreen Nathanael I am a form 3 student at Sakura Girls Secondary School I am really appreciating on you're supporting that you are providing to me I am really thank you for this supporting to me in order to get a good future in my life. Here in school we are usually studying well we also live better we usually watching movie which are in Ghibli foundation like Totoro, ponyo and also Naushika the if are really good and we are getting a lot of vocabulary through watching these movies also some of the visitors come and giving us a lot of education like professor Sato and other professors who arrived with him.

Also here at school we have a very good teachers who are making us to be more educated and to have a good future in our life, To me in the future I want to become a surgeonist doctor because most of the people in the world they are die because there is no a specionist doctor to help them that why I want to become a doctor.

I really again appreciate on your supporting to me I will study hard in order to don't let you down. THANK YOU FOR YOUR SUPPORTING.
