

Dear

I'm glad that you're

greats am also OK.

The aim of writing this

letter is to thank you for your support

I'm real appreciating it. The subject which

I like here at school sakura are Chemistry
physics, and Biology. The life is going well
here at school. Thank you very much and

I'm promising you that I will put more
effort on studying so as I can have
a good future: your lovely daughter
