

Dear [redacted]

How are you? I hope you are fine to me I'm also fine here at Sakura Girls Secondary School.

The purpose of writing this letter is to say thank you very much for your support. I really appreciate it. The subject which I like the most is Physics, Mathematics and Geography this is because I want to be a pilot.

Lastly I wish you a happy life and may God protect and bless you whenever you go. Thank you very much.

From your lovely daughter.

HILARY-EMANUEL.
