

Dear

Hello! How are you? I hope that you are fine and good in health, on my side am doing great thanks to you.

My aim of writing this letter to you is to appreciate your kindness of sponsoring me and giving me an opportunity to study at this wonderful school. I am doing well here and I am enjoying my life here at school and also my studies.

Thank you very much and I hope you will continue helping me.

Yours Sincerely  
Sharon Tom
