

Dear:

* I hope you are fine and happy: I am also great,
The aim of writing* this letter is to thank you
for giving me your kind support through* out two
years of study. I really appreciate. *

* I also want* to inform you on subjects that
I am struggling hard so that I can fulfill my
dream job, those subjects includes; Mathematics, Physics
* Geography and Chemistry. *

* I am sure that I will not let you down ever,
* instead you will be proud of me.

From Jacqueline Wilfred Kanuya.
