

Hello! I hope you are fine. I am fine too. In this letter I would like to share with you my school life. I really enjoy studying at Sakura Girls Secondary school. I like the environment as well as my teachers. I really enjoy playing netball with my friends. Not only that but also I enjoy eating my favourite food are Makande (maize and beans) and Rice and chipsi. It is very delicious.

My favourite subjects are English, Mathematics, Biology. My dream job is to become a teacher because I want to help different African children to achieve their dreams.

I really appreciate your kind support. Not only me but also my parents really appreciate your support in my education. I am ^{very much} proud of you may you be blessed

Love

Warda Ridhiwani
